INVITATION

Third Annual Summit of the National Platform for Women Entrepreneurship

WOMEN IN ENTREPRENEURSHIP – KEY TO STRENGTHENING THE ECONOMY

As part of the project "National Platform for Women Entrepreneurship (NPWE)"

Date: 23.11.2023 (Thursday) and 24.11.2023 (Friday)

Location: Hotel Marriott, Skopje

Respected,

Association of business women in partnership with the Foundation for Management and Industrial Research and Macedonian Chambers of Commerce Invites you to be a part of the: **Third Annual Summit of the National Platform for Women Entrepreneurship**
"WOMEN IN ENTREPRENEURSHIP – KEY TO STRENGTHENING THE ECONOMY"

The summit is organized as an annual event of the project "**National Platform for Women Entrepreneurship (NPWE)**", co-financed by the European Union, and will be held on 23th and 24th of November 2023 at Hotel Marriott, Skopje.

Within the Summit this year, the "**Award for the most successful women entrepreneurs**" for **micro, small and medium-sized companies** will be organized, which we are organizing for the third year in a row in cooperation with the Ministry of Economy.

The main objective of the Summit is to increase the visibility and profile of the Platform and the benefits it provides to stakeholders and women's entrepreneurship. The event will have international participation with more than 100 participants and will provide a unique approach in sharing best practice and ideas for the promotion, development and support of women's entrepreneurship. The discussion between the present representatives from various institutions, organizations and women entrepreneurs, which are important for the development of the ecosystem for women's entrepreneurship, will result in conclusions aimed at improving the current challenges faced by this sector. At the summit on November 23, 2023, B2B meetings will be organized with the aim of developing regional economic cooperation, new business connections, opportunities for cooperation, economic market development, identification of potential partners, business promotion and compatibility between women entrepreneurs in the Republic of North Macedonia and the region.
